Allstate.

You're in good hands.

Hi Denny,

I picked-up my Kwik-lift the evening before you called. It made the trip just fine. I put it together + Car (57 Chev.) is parked on it. Such a pleasure to roll under the lift + do maintenance. I really love the Kwik lift.

The guys in our Car Club wanted to take the Kwik-lift home with them, ha

I'll send you a picture soon.

Maybe we'll see you at the Turkey-Run next year (2004.) Take care Denny,
